Bill – 399-1042/ wmbell51@gmail.com / billbell@homermedical.org (8am-2pm)

Hannah- 541.852.1661 hzook16@gmail.com

Other sites: (variably maintained-though game changer is current)

GameChanger gc.com search zipcode and Homer Softball

This has schedule, games scores and stats. Family can sign up and follow team or you- more information if purchasing the subscription. I use it to scout other teams. This is a good way for parents to follow games away. There is a subscription price for detail, none for basic info.

www.asaa365.com- navigate to our State softball page. By going to Softball, classification-small schools and Homer. This has schedules and scores but is not automatically updated anymore.

www.maxpreps.com – Search on Homer Mariner Softball Statistics that go to NFCA (National Fastpitch Coach Association) automatically from gamechanger. Used for award purposes- player of the week, West Coast All-Star Team. Great recognition for a small school in Alaska.

www.fieldlevel.com – a visibility tool if you are interested in playing in college. Easy way to promote yourself. Let me know if interested.

Shopping sites – there are many, talk to us directly for guidance. Some listed on the team website.
