# Homer Tsunami Softball- USA/Softball 2024

Homer Tsunami Softball will function under the umbrella of USA / Softball Inc. Our program will have both a developmental and competitive aspect with a focus on fun, softball fundamentals, learning, teamwork and teaching life lessons of dedicated practice, overcoming challenges and dealing with failure as well as success. There are a number of reasons for playing softball from just having outdoor fun with friends to being competitive against other state teams, to wanting to play softball at a higher level after graduating high school. We are open to all those players because we know that softball is a lifelong sport that can create community and friendships wherever you go.

It will be structured under Homer Mariner Softball, Inc- a local organization that also supports the Homer High program The philosophies of the high school program will be in effect for all levels of the summer program. Please see [www.marinersoftball.net](http://www.marinersoftball.net) for further information. Basically, we adhere to the tenets of the Positive Coaching Alliance where we expect players to embrace effort, learning and mastery and if you fail to then re-evaluate and try to fail better the next time. We appreciate that softball has a high level of skill that is needed for an entry level of fun and will work to make that process as smooth as possible.

Teams will be age structured-based on the number and skill of players.. The schedule may be found on Teamsnap or [Marinersoftball.net/tsunami-softball](http://Marinersoftball.net/tsunami-softball). Registration fee is \$150 per player (capped at \$300 per family) but does not include the cost of any travel, lodging or food associated with that travel. If a parent is willing to coach or umpire the fee will be waived. We are happy to provide loaner gloves, cleats, bats, etc for those that want to experience softball prior to making purchases. We will rely on parental support for field work, umpiring, coaching, chaperoning, travel, etc. We are happy to provide training in all these fields.

## Parental Compact:

I understand this is a game for young women to teach them how to help prepare them for the vagaries of life. Everyone associated with this program are volunteers, doing their best. As such, profanity, intimidation of officials, coaches, other team members, other parents or any abusive bullying behavior will not be tolerated.
