The Mariner Softball Team is dedicating this season to Bri Hetrick, a very recent teammate. Bri was a dynamic player, bringing a wonderful force of happiness, joy and hard work to the team for all the years she played. She was the dream player that would play any position, play it at full speed and with a large smile. She was larger than life on the field. Tragically, her life was cut short in the all too common epidemic of domestic/partner violence that pervades this state. It is our hope that we can use this tragedy to teach the players of today about inner strength, self-confidence and the strength of Softball Sisterhood to reach out and support teammates far and wide.
