What does Booster Club do at HHS?

The PURPOSE of the Homer High School Mariner Booster Club, Inc. is to provide support for all organized sports/activities at HHS. Exclusively for charitable purposes, the HHS Booster Club is currently registered as a non-profit with the State of Alaska *since 1995*.

- Concessions at ALL HOME Events held on school grounds
 - High school concessions play a crucial role in creating a vibrant & supportive school community via Fundraising, Camaraderie, Convenience, Student Opportunities, Tradition & Enjoyment.
 - 2023-2024 there were 43 Events on school grounds and 87 shifts. Volunteer time is carefully thought out and respected. When you work a shift for your team you are bringing value to the entire school AND YOUR team.
- Gaming
 - HHS Booster Club holds gaming permit to support team raffles at HHS
 - Homer Mariner Softball also holds a gaming permit solely for our purposes and our annual raffle
 - Pull tabs are sold at Bidarka via the HHS Booster Club gaming permit and those proceeds benefit ALL extracurriculars at HHS
 - Mariner Softball has had a pull tab vendor at Beluga Lake Lodge but is currently looking for a new vendor as that bar is closed.
 - The gaming permit is managed by the Exec. Board and is for the benefit of all students at HHS.
- Social Media
- Advertising/Banners in the gym & field
- Group fundraising on behalf of the entire school
- General support
